

Cherokee County Water & Sewerage Authority

PUBLIC ADVISORY CANCELLATION OF BOIL WATER NOTICE January 29, 2012

The Cherokee County Water and Sewerage Authority, in cooperation with the Georgia EPD, has lifted the boil water notice issued on January 28, 2012; which included only a limited portion of the Toonigh Community. Laboratory test results show that the water is safe for human consumption.

The specific area affected included residents along Toonigh Road, from the intersection of Springwater Trace to Old Magnolia Trail. Approximately 175 homes were affected by the boil water notice, including homes in the Valley Brook subdivision.
