By signing below, you are acknowledging that the installation of the Smart Leak Detection Device (SLDD) is voluntary and done within manufacturer specs. CCWSA is not liable for damages that may result from the installation or operation of the SLDD. CCWSA makes no claims as to the efficacy of the product and does not assume any liability for the failure of the product. Installation of a SLDD does not supersede or inform CCWSA water meter billing information, and failure to pay monthly water bills as requested by CCWSA will result in late fees or service termination according to normal protocol. In order to receive the rebate credit on your account, the account must be current. Rebates are available to single and multi-family residential accounts. Commercial, industrial, and institutional establishments are not eligible for rebates.
